REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The instant invention claims a spray powder having a specific composition and structure and a method to produce such spray powder. The closest prior art references that relate to the claimed invention are Cass'080, '797, Kim'449, Belov'334, Nishimura'763, Jansen'615, Harrington'716, Rangaswamy'270, Longo'425 and EPA'251. The prior art teaches that it is known in the art to make and use spray powder. However, the prior art does not teach or fairly suggest the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to leszek b. kiliman whose telephone number is 571-272-1509. The examiner can normally be reached on M-T, 6.30-5.00.
